EXPERIENCE

Associate Developer & Digital Marketing Truliyo Digital , Aug 2023 - April 2025, Gurgaon

- Developed and managed multiple e-commerce stores, primarily for dropshipping, using Shopify. Customized templates and integrated Shopify apps to create responsive, high-converting stores. Designed a direct-purchase feature, allowing customers to buy instantly without adding items to the cart.
- Set up and optimized affiliate marketing platforms, working on tracker systems, and integrating them with various CRMs to streamline operations.
- Automated data entry and financial calculations using Google Sheets, improving efficiency in tracking profit and loss (P&L) and other key business metrics.
- Facebook Campaigns for sales, leads and traffic for Clients

Junior Web Developer IB arts pvt ltd. , Jan 2022 - May 2023, Pune

- Worked extensively on Shopify, customizing pages and optimizing store layouts to improve user experience and conversions.
- Debugged front-end issues, fixed UI inconsistencies, and ensured seamless functionality across different devices and browsers.
- Managed SEO tasks, including updating meta titles and descriptions, to enhance website visibility and search engine rankings.
- Regularly updated and refined web applications based on client feedback, improving performance, usability, and overall functionality.
- Ensured project completion within deadlines, coordinating with designers, developers, and stakeholders to deliver high-quality results.

PROJECTS

E-commerce Website Development

📌 **Technologies Used:** Shopify, WordPress, Payment Gateway Integration, Inventory Management

- Developed and customized Shopify-based e-commerce stores with seamless payment gateway and inventory management integration.
- Designed user-friendly, high-converting store layouts to enhance the customer shopping experience.
- Worked on **WordPress-based websites** such as BookMyAssets.com and DholeraTimes.com, handling complete setup, customization, and content management.

Portfolio Website

📌 **Technologies Used:** React, Node.js, CSS

- Built a **personal portfolio website** to showcase my development skills and past projects.
- Focused on **modern UI design**, responsiveness, and interactive elements for a professional online presence.
- Implemented **custom animations and smooth navigation** to enhance user engagement.
